A MESSAGE TO OUR COMMUNITY

In 2020, The Christ Hospital continued to be the beacon of hope on the hill – a role it has played for more than 130 years. This year, donors gave The Christ Hospital Foundation incredible amounts of hope and optimism by reaching out and charitably supporting our patients, employees and other critical areas during the pandemic. Our relationship with you and with our community allowed us to anticipate and meet the needs of those we serve. Through your grace and compassion, we kept patients and employees safe, fed and strengthened.

Thanks to you, The Christ Hospital Foundation is ranked 8th nationally among community hospital foundations, determined in part by the total amount of philanthropy coupled with our cost-efficient operations. This Association for Healthcare Philanthropy ranking is one indication that your charitable donations are being well-utilized. **One hundred percent of your donation** goes to support critical needs of this iconic healthcare institution—a true community asset.

On behalf of The Christ Hospital Foundation and Board, thank you for your kindness, remarkable support and humanity in a year unlike no other.

With gratitude,

RICHARD F. KAMMERER, FAHP, CFRE
 President, The Christ Hospital Foundation

The Christ Hospital Foundation, through online and text-to-give efforts **raised \$15,492 in 48 hours**, providing 1,938 mask headbands for front line workers in 55 units/departments.
