## A MESSAGE TO OUR COMMUNITY

We know women's health issues are unique. We provide exceptional care to women of all ages, during all stages of life, where and when they need it.

Our experts offer compassion, respect, and patient-centered care, whether it's for a new mom with a fragile infant in the NICU, a woman wanting the best and most comfortable options for her breast health, or someone needing heart-care options.

At The Christ Hospital Foundation, our focus in 2021 was raising funds for these three areas:

- Women's Heart Center
- The Comprehensive Breast Center
- Neonatal Intensive Care Unit

Through your generosity, we raised more than \$4 million last year, including these three areas. We remain grateful to you for sharing our vision that women's health is a priority.

You may be interested to know that 100% of the money you donate goes directly to improving patient care within The Christ Hospital Health Network. We hope you will join us in our quest to provide state-of-the-art—and sometimes lifesaving—care to the people of this region.

Thank you for believing in us, and in the future of exceptional care.

**RICHARD F. KAMMERER, FAHP, CFRE**  
President, The Christ Hospital Foundation

Therese & Meghan Todtenbier were grateful for our Neonatal Intensive Care Unit after the birth of their first child. They were so thankful for the care they received at The Christ Hospital, they chose to have their second child here as well.

Katie Marshall's breast cancer was diagnosed at the Comprehensive Breast Center. She was given a 'pinker-than-pink' party at her last chemo treatment.

# THANKS TO OUR DONORS

## LIFETIME GIVING

The Christ Hospital Health Network is pleased to recognize the generosity of our donors whose lifetime contributions total \$100,000 or more. Through their efforts and dedicated support, The Christ Hospital has become the standard-bearer of excellence in healthcare for the region.
